Denise, Thank you so much. As always, your work is superb. Bob Eddy, President, Chrysler West DAA

It's was our pleasure to receive the groups that Grand View has brought to the Apollo Theater. Grand View knows the right places to take their groups and offers them an itinerary unlike no one else. Grand View has also proven to be one of the most professional tour operators that I have ever had the pleasure of working with. Billy Mitchell, Apollo Theater

The groups we have received at Ride the Ducks Philadelphia from Grand View has been an absolute delight! Grand View does a great job of making their itineraries work and always have their groups to us on time. The professionalism that Grand View shows when getting their groups reserved is second to none. Geoffrey Cohen, Group Sales Manager

Denise, The trip went well and the day was beautiful from beginning to end. Barbara and Wayne were super and hopefully next year they can be a part of our plans once more. H. M., Secane, PA

We love Grand View Travel and Tours...they always save us a lot of money. We also use them for the 4th grade DC Trip. They saved us a ton of money when we took our family to Europe, Punta Cana, Porta Plata, etc. and of course they have been doing our 4th grade trip to DC for the past 20 years. G.B., Springfield, PA
